Michael Brunker

At the Jackie Robinson Family YMCA, “It’s easy to spend your heaven doing good on Earth every day.” The words of Brunker, executive director, ring true for the many who have worked with and volunteered to mentor young people and their families in ethnically diverse communities in the county since 1943. Brunker is at the helm of a major facility expansion and renovation, which will allow the YMCA in Southeastern San Diego to grow its programming and outreach, and expand its impact in the community.
