

**The
Spirit of
Youth is**

a spirit which

speaks with a positive

voice.  **It will not be**

intimidated by the adversities

of our world. It is a spirit which

stresses an awareness of self and others

and recognizes the inherent worth of the

individual and the family.  **It is a spirit**

which challenges us to renew our service to

God and our neighbor. At the YMCA, our Christmas

wish is that the spirit of youth will reach out to all our

friends and supporters and fill your homes

with

happiness, joy and hope.

Merry Christmas and have

a wonderful New Year!

**May the Lord richly bless
you and your family this season
and throughout the year.**

**IT'S FOR
EVERYBODY**
